

National Coach & Development Officer.

During October and November John McArthur and Callum MacDonald will attend a number of locally organised meetings, to allow them to discuss in more detail ongoing developments relation to their positions and the National Rowing Academy in general.

It is hoped that each club will end 2/3 senior committee members/coaches to represent their club.

Notification of intention to attend should be sent to the Development Officer

By e-mail callum.macdonald@scottish-rowing.org.uk

Or by telephone to 01698 250206.

NB this notification requires to be with me by no less than five days prior to the respective meetings. Thereafter the attendees will be notified if the meeting is proceeding.

In addition Callum MacDonald will be attending this event and during the course of the weekend will run 2 sessions along similar lines, so again some clubs may prefer to be represented then.

Can I please hear from all clubs ASAP as regards attendance at these events to allow me to make practical arrangements.
