

## **Development Officer**

With effect from the 30<sup>th</sup> November 2003 Callum MacDonald has resigned as the Association Development officer. I would like to take this opportunity of thanking Callum for all his hard work during his time in post. Before making any new appointment I would like to consult as widely as possible with clubs about what they would like to see from our next development officer. In giving this consideration please bear in mind the following :-

- 1) For the next two year 50% of the development officers salary comes from a Lottery tail in connection with the development of the National Rowing Academy.
- 2) The two key elements of Callum's role in the current year were to be coach education and the establishment of a schools programme in North Lanarkshire that is successful would be rolled out to other areas.

Any comments that you have particularly based on observations or experiences during the last year our so that may help us to plan the next appointment would be much appreciated.

Initially, please email any thoughts to me at [somerside@aol.com](mailto:somerside@aol.com) .

### **Open Meeting**

I would also welcome anyone to attend an open meeting at the Academy on the 7<sup>th</sup> January at 7.00 pm in the Clyde Room.

In the meantime any bookings for boats, tanks or coaches should be made through the Park booking office 01698 266155. Any other enquiries about use of the Academy facilities should be directed to me on 07889 515620 or emailed to the above address.

Iain C Somerside  
Director National Rowing Academy.
