## F.I.S.A. WORLD ROWING UNDER-23 CHAMPIONSHIPS 2007 VOLUNTEERS URGENTLY REQUIRED

Dear Potential Volunteer,

As you'll be aware, Scotland has been selected to host the FISA World Rowing Under-23 Championships at Strathclyde Country Park from Sunday 22<sup>nd</sup> July to Sunday 29<sup>th</sup> July, 2007. The actual championship racing will begin on the Thursday and the finals will be held on the Sunday. I have been given the job of building up a list of experienced volunteers to enable the smooth running of this extremely large and prestigious event and I have started producing a data-base of volunteers and their details. We are now less than five months away from this challenging and enjoyable event so if you would like to help out at the Regatta during some or all of the time, please fill in the attached form and return it to me at the above address as soon as possible, either by land post or by e-mail. We shall soon be allocating specific jobs to our volunteers and it would be very helpful if you would indicate areas in which you feel that you could contribute most effectively.

This event will be on a similar scale to the FISA Masters' Rowing Championships held here in Scotland in 2005 so we are desperate to get a large response to this call for volunteers. If you can think of other people who might share your enthusiasm for the organisational side of sports events, please let me know and I'll contact them. They need not be rowing people, provided they don't mind a lot of hard but rewarding voluntary work. All volunteers will be provided with items of official event kit.

Yours sincerely,

Robert H.C. Neill
