Dear Sir/ Madam,

Please find enclosed the information about this year's Scottish Schools' Head of the River Race. I do hope that you will consider entering crews from your School (s). We are offering pennants to all members of the winning crews in each of six coxed fours divisions and we shall provide presentation prizes for the winners of the coxed quadruple sculls divisions (DIVISION G & H). There is also a Team Competition for the Peter Grieve Memorial Trophy. Each competitor must be on the School roll at the time of entry. Entries from composite-school crews will be accepted.

In the interests of safety, crew entries containing pupils from primary/junior schools will not be accepted. All entries must comply with the recently-amended SARA Water Safety Code (available on the SARA website) regarding boat buoyancy, lifejackets/buoyancy aids, heel restraints and bow-balls, etc.
