

Clydesdale Amateur Rowing Club

THE HEAD OF THE RIVER RACE FOR SCULLERS

ON SATURDAY 4TH OCTOBER 2008 AT 12.00 PM
AND DOUBLE SCULLS AT 2.00 PM

(under S.A.R.A. rules and in it's Forty-First Year)

Information for Competitors

1. Each competitor or a club representative must report to Regatta Control at the Clydesdale boathouse between 10am and 11am for SINGLES and before 1pm for DOUBLES to –
 - (a) advise any scratchings
 - (b) pay outstanding fees
 - (c) check regatta time
 - (d) collect identification numbers

N.B. All boats must have a bow slot to hold the bow number. In addition a cloth number should be pinned to the back of your racing singlet. Failure to display the numbers will result in no time being taken. If bow numbers and/or cloth numbers are not returned after the race or are returned damaged then the deposit of £5.00 will be forfeited.

2. The COURSE will be from the STRAIGHT upstream of DALMARNOCK BRIDGE to level with the NELSON MONUMENT in GLASGOW GREEN, approx. 4,000 metres.
- 3(a) Boats must be in position in the ASSEMBLY AREA as shown in the diagram attached, punctually by 11.55am for SINGLES and 1.55 for DOUBLES
As a guide to less experienced competitors, it may take 20 minutes or more to race over the course, so allow more than this to get to the start.
Any very late sculler may be prevented by the umpires from going upstream round the bend at the sewage works.

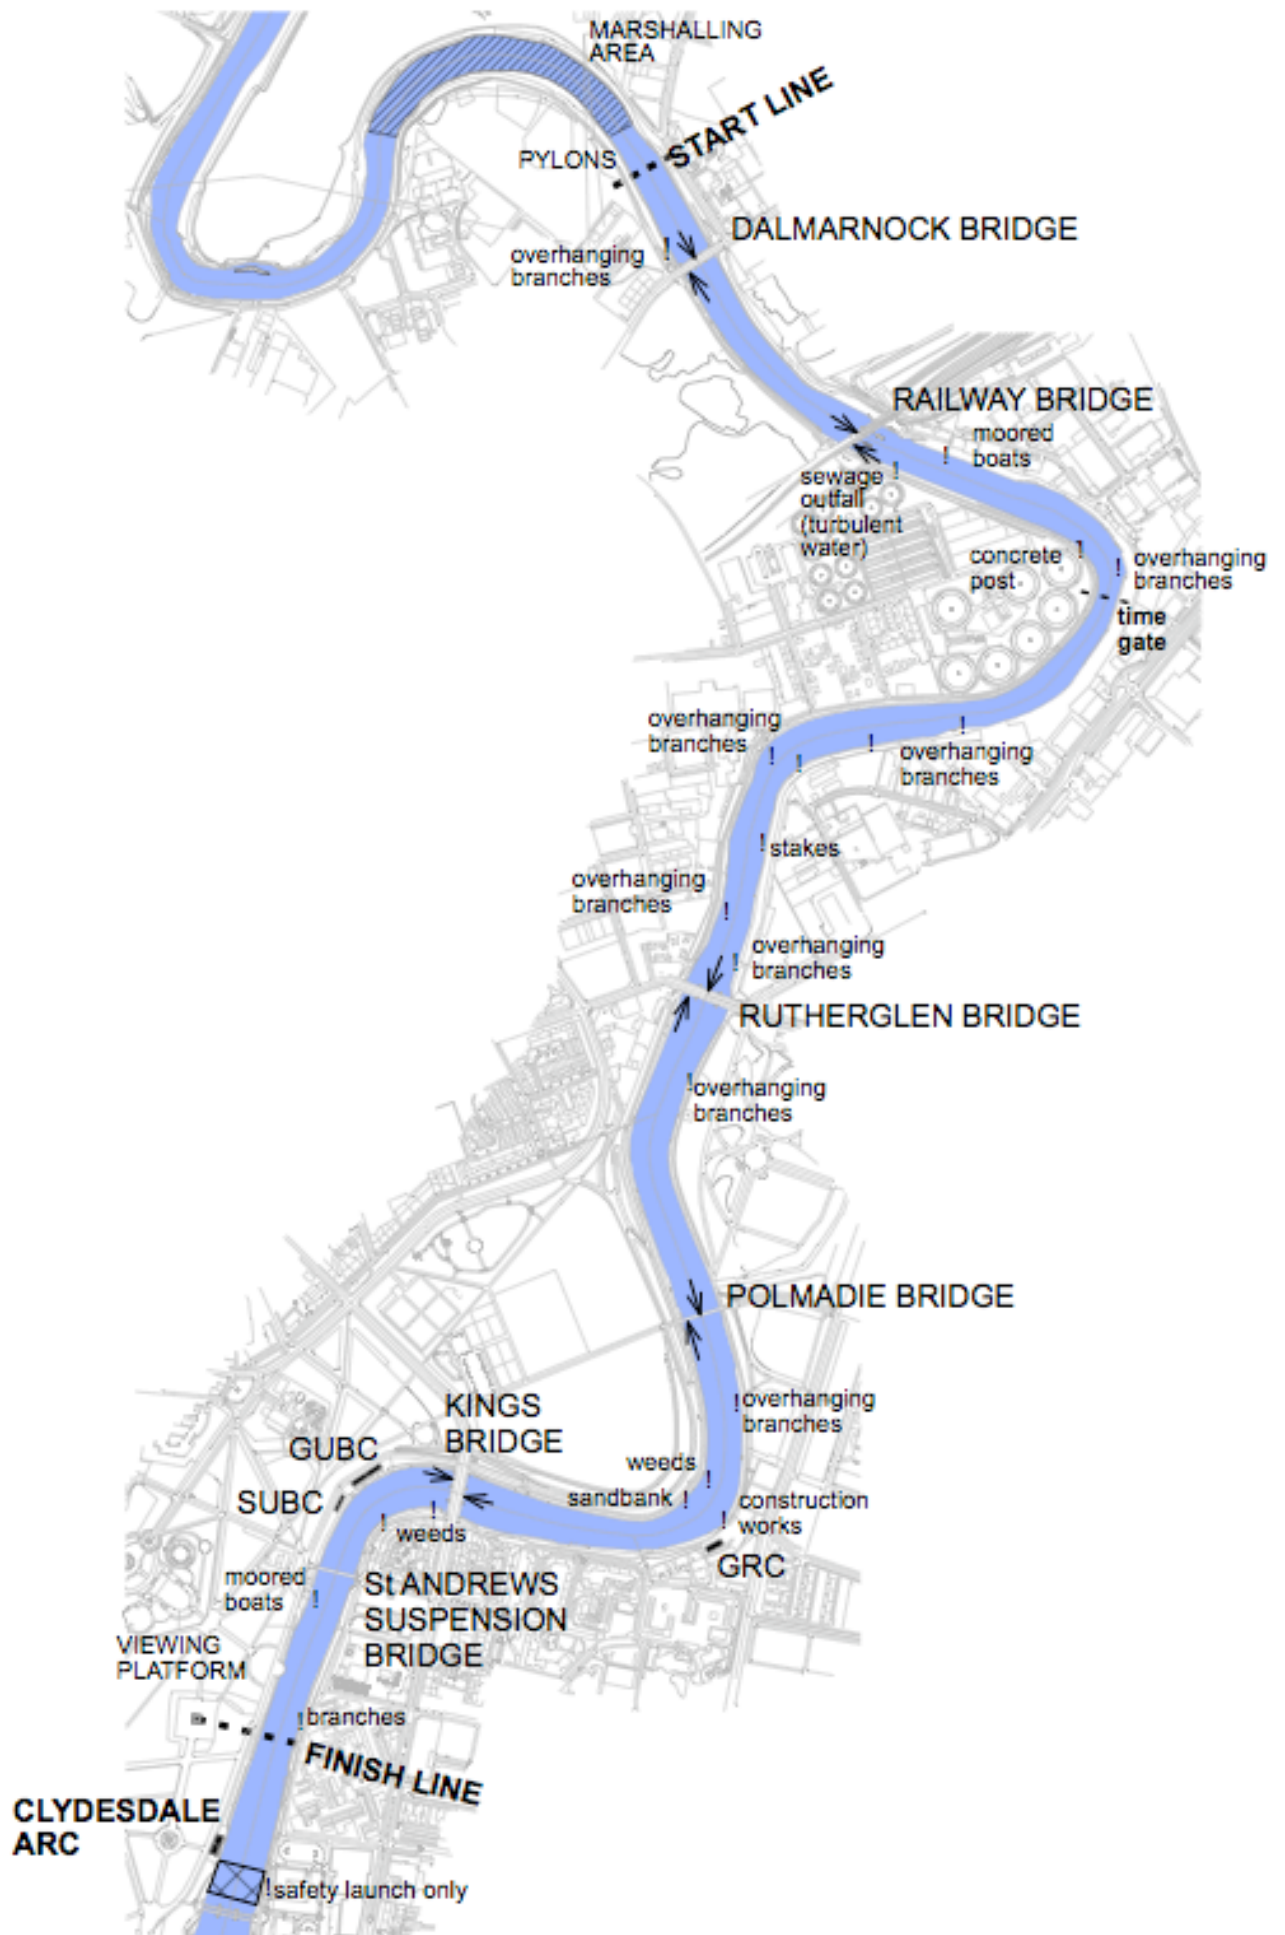

To avoid congestion in the START AREA, competitors arriving early and not wishing to take up their position should NOT go through Dalmarnock Bridge until they are prepared to come under the marshal's instructions. N.B. Normal rules of the river apply before the race, i.e. go upstream on the North Bank and downstream on the South Bank.

- 3(b) Boats will be assembled above the Starting Line and will face upstream with ODD numbers on the NORTH bank and EVEN numbers on the SOUTH bank, each boat half a length apart. The centre of the river should be left clear to allow other competitors free passage to their position.
- 3(c) Competitors not above the Sewage Works Bend Time Gate by 11.50am for SINGLES and 1.50pm for DOUBLES will be stopped and held downstream of the Timing Line until all others have started. At the starter's discretion the late comers may be allowed to race but will have a TIME PENALTY of 5 seconds for every minute or part of a minute late.

4. The order for boats to turn and move forward will be given by the Marshals. Proceed downstream to the Start Line in number sequence where your number and "GO" will be called to give a flying start over the Timing Line. The first competitor will start at race time and the others will follow at approximately 10 second intervals. Any time gap before new starts will be notified at Regatta Control.
5. Competitors may take any arch they wish at the various bridges on the course. Any restrictions will be notified at Regatta Control.
6. The following instructions have been issued to Umpires who will patrol the course during the race:-
"Boats being overtaken must give way to those overtaking, so that the overtaking boats have a clear course."
Any delay in obeying the Umpire's instructions on the part of a competitor may lead to a disqualification if the overtaking boat is forced out of its course whether or not a clash occurs.
7. Competitors should proceed downstream of the Finish Line before stopping. Competitors returning upstream should proceed in single file up the north (boathouse) side only and should not come back on to the course until the last boat has finished. THOSE RETURNING TO GLASGOW RC BOATHOUSE SHOULD TAKE CARE ABOVE KINGS BRIDGE NOT TO IMPEDE RACING SCULLERS WHO MAY BE APPROACHING THAT BRIDGE.
8. Anyone disregarding the above instructions may not be timed.
9. Results will be announced at 4.00 pm in the Clydesdale clubhouse. Refreshments will be available.
10. SAFETY
 - (a) A safety launch will follow the last competitor downstream.
 - (b) Competitors should take careful note of any HAZARDS shown on the map of the course displayed at Regatta Control.
 - (c) All boats must be fitted with a white bow ball.
 - (d) Effective heel restraints must be attached to flexible shoes.
 - (e) KEEP WELL CLEAR OF THE WEIR.

IN THE EVENT OF ADVERSE CONDITIONS, THE RACE MAY BE SHORTENED OR CANCELLED.

As river conditions can change quickly at this time of year, the river is checked constantly and a decision taken as early as possible whether to run the Head or cancel if the river is in spate. A club representative will be contacted provided that a contact number has been provided.

CLYDESDALE AMATEUR ROWING CLUB

Head of the River Race for Scullers

4 October 2008 at 12.00pm (under SARA rules)

Course – Dalmamock to Monument (approx. 4km)
