

Dear Fellow Rowers,

Clydesdale ARC Regatta, 10th May 2008

Clydesdale ARC would like to invite your club to take part in our summer regatta on Saturday 10th May 2008. Once more we are pleased to be including the Glasgow Edinburgh University Boat Race within our regatta, which will provide additional excitement for a great day's racing on the River Clyde.

All regatta entries will be made online. We ask that your club captain, or other authorised club representative, contacts the regatta secretary by email to entries@clydesdalearc.org.uk in order to obtain the address and login details for their own secure entry page. Please include a contact telephone number for any queries that may arise during the draw. The deadline for entries is 7pm on Thursday 1st of May.

I attach the regatta poster, events list and rules. Any additional information, including the regatta draw, will be posted on our new website: www.clydesdalearc.org.uk

We hope you will be able to join us for our regatta and we look forward to seeing you in May.

Kind regards,

Ellie Dorman
Regatta Secretary
